Telecom Manhole Chamber

FCST-TH-SMC05 Telecom Manhole Chamber is meticulously engineered to offer comprehensive protection, storage, equipment installation, and maintenance solutions for the underground placement of optical fiber splice boxes and cable products. This product boasts not only high stability, an extended service life, and exceptional pressure resistance, but also facilitates easy assembly.

- Excellent corrosion and weather resistance.
- Good electrical insulation and flame retardancy.
- Depth can be stacked according to requirements.
- Lightweight design using SMC composite materials.
- Prefabricated structure reduces on-site construction costs.
- Transverse and vertical cross stiffeners are arranged around the outer side of the shaft, also be closely combined with the rammed soil layer. It is not easy to move and loosen after rolling.

Product Specifications

Construction	Description
Executive Standard	EN124
Material	SMC
Manhole Cover Load Grade	B125(12.5T) C250(25T) D400(40T)
Length	600.00mm 23.623in
Width	600.00mm 23.623in
Depth	900.00mm 35.434in
Weight	108kg(3 Layers)
Flame Retardant Grade	V0
Environmental Requirements LOGO	Meet ROHS Available
Working Temperature	-40°C~+65°C
Storage Temperature	-40°C~+70°C
Service Life	30 years

Product Size

External Size(L*W*D)	Internal Dimensions(L*W*D)	Manhole Cover Load Grade
720*720*960mm (28.347"x28.347"x37.796")	600*600*900mm (23.623"x23.623"x35.434")	B125(12.5T)/C250(25T)/D400(40T)

Product Application

Note : The practical application of this Composite Manhole Chamber, covering many fields such as municipal administration, electric power,electricity, water , road administration,and drainage.

On each side of the product. The size of the drill hole can be adjusted at the construction site according to the actual size of the HDPE Silicon Pipe/HDPE Micro-duct.

Ordering Information

*Note: The specified model is determined based on optional configurations. For example: FCST-TH-SMC05--A1-B1.

Accessories Optional

Optional-1 FOSC Fixed Frame

Optional-2 FOSC Fixed Frame

Optional-3 FCST-Cross Cable Rack

Optional-4 Manhole Ladder

Better FTTx, Better Life.

Fiber Cable Solution Technology Co.,Ltd.

FCST - Better FTTx, Better Life.

At FCST, we manufacture top-quality microduct connectors, microduct closure, telecom manhole chambers and fiber splice boxes since 2003. Our products boast superior resistance to failure, corrosion, and deposits, and are designed for high performance in extreme temperatures. We prioritize sustainability with mechanical couplers and long-lasting durability.

FCST aspires to a more connected world, believing everyone deserves access to high-speed broadband. We're dedicated to expanding globally, evolving our products, and tackling modern challenges with innovative solutions. As technology advances and connects billions more devices, FCST helps developing regions leapfrog outdated technologies with sustainable solutions, evolving from a small company to a global leader in future fiber cable needs.
