FCST-CR120-VTC-CVR Vertical Tee Cover

The vertical tee cover is a protective panel specifically designed for the fiber optic raceway vertical tee. It covers the junction where horizontal and vertical paths meet, enclosing the 3D routing space to protect internal fiber optic cables from external damage while ensuring the system remains organized and safe.

- Inward turn; space optimization.
- For 120mm vertical-to-120mm tee cover.
- 3D contoured fit, comprehensive coverage
- Compliant with the UL94-V0 fire safety standard.

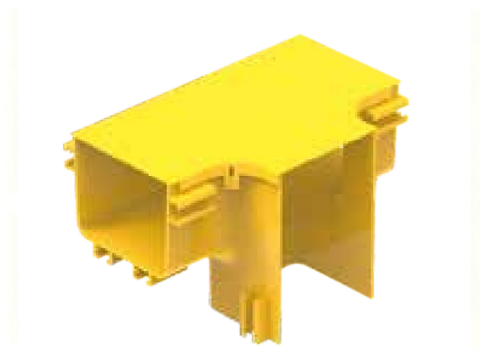

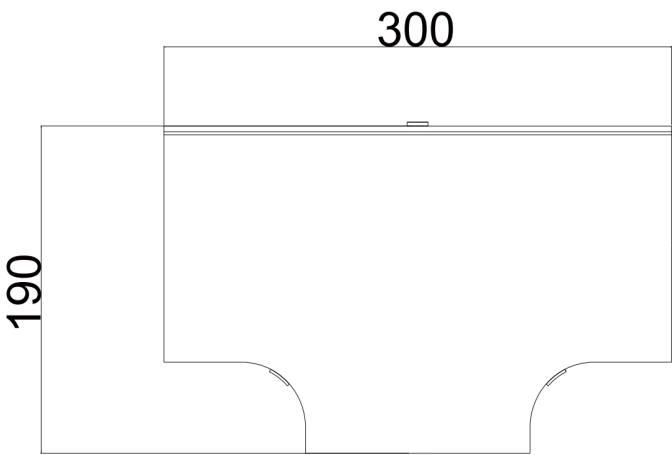

Product Specifications

Construction	Description
Material	ABS
Flame-retardant Rating	V0

Product Structure

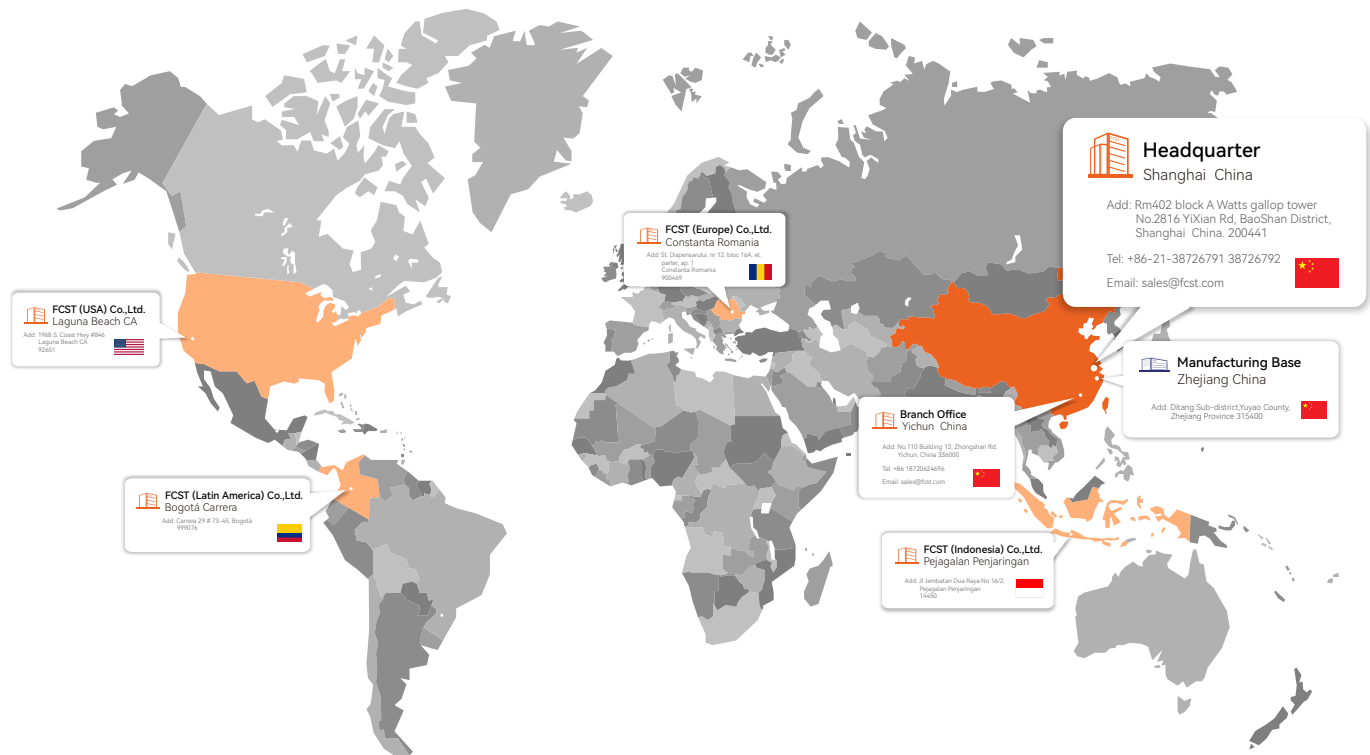

Unit:mm

Better FTTx, Better Life.

Fiber Cable Solution Technology Co.,Ltd.

FCST - Better FTTx, Better Life.

At FCST, we manufacture top-quality microduct connectors, microduct closure, telecom manhole chambers and fiber splice boxes since 2003. Our products boast superior resistance to failure, corrosion, and deposits, and are designed for high performance in extreme temperatures. We prioritize sustainability with mechanical couplers and long-lasting durability.

FCST aspires to a more connected world, believing everyone deserves access to high-speed broadband. We're dedicated to expanding globally, evolving our products, and tackling modern challenges with innovative solutions. As technology advances and connects billions more devices, FCST helps developing regions leapfrog outdated technologies with sustainable solutions, evolving from a small company to a global leader in future fiber cable needs.
