Product Overview

FCST01107 Fiber Optic Splice Closure provides space and protection for the fiber optic cable splicing and joint. Fiber optic closure belongs to the accommodation of the optical fiber fusion splice section system. It is widely applied to the connection of the fiber play the roles in sealing, protection, installation of fiber connector head and storage.

Product Advantages

- Advanced internal structure design, thus fiber suffering no attenuation.
- The closure is spacious enough for winding and storing fibers.
- Flip style fiber splice trays are designed.
- The curved radius meets with international standard.
- Easy and fast to increase and reduce splice tray.
- Innovative elastic integrated seal fitting.
- With the function of reuse and capacity expansion for many times.
- With the function of electric connection and disconnection for electrical for the fiber optic cables.

Product Specifications

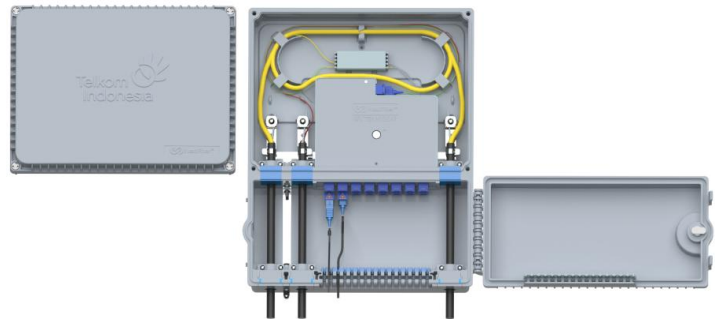

Construction	Description
Max. Capacity	Bunchy: 12~96Cores Ribbon: max. 144Cores
Material	PP+GF
Dimension (mm)	450*220*110
Inlets/Outlets	4/4
Installation	Aerial/Manhole
Net Weight(g)	3800
Protection Level	IP67
Diameter Of Fiber Cable	Φ 7mm~ Φ 20mm
Sealing Mode	Mechanical

Design And Customization Services

- Provide service with whole process from blueprint to product to the customer.
- Meet customer's requirement to customize logo in suitable place for existing product.
- Meet customer's requirement to make reasonable modify and customization for existing product.
- Provide free design according to the requirement of customer after signed cooperative agreement.

FCST - Better FTTx, Better Life.

We offer 4 solutions

- FTTH ODN Solution
- Underground Cable Installation Solution
- Aerial Cable Installation Solution
- Fiber Tools & Test Solution

As a FTTx solution supplier, we can also do ODM according to project. We will continue to innovate and contribute more to the construction of the global optical fiber network.

Rm402 block A Watts gallop tower No.2816 YiXian Rd, BaoShan District, Shanghai 200441.
