Product Overview

FCST012239 Fiber Optic Splice Closure is used to connect the distribution cable and the incoming cable, is widely applied in communication, network systems, CATV cable TV and so on. It adopts scientifically formulated engineering plastic and be shaped by injection molding, with anti-aging, anti-corrosion, flame retardant, waterproof, anti-vibration and anti-shock effects. Can effectively prevent the optic fibers from the influence of outdoor environment. Dome-to-base design; sealed with clamp and O-ring system. With two types of optional trays can hinge for access of any splice, without disturbing others trays; Fast and reliable sealing performance, easy to package multiple times. With lightning protection grounding device, it can be applied in overhead, pole/ wall mounting or directly buried.

Product Advantages

- Easy installation with no special tool required.
- Sealing mode: heat shrink seal is adopted for cable ports.
- Installation method: Suitable for direct buried, aerial, pole, pipeline, manhole, etc.
- Made of modified engineering plastic with high strength, anti impact and anti corrosion.

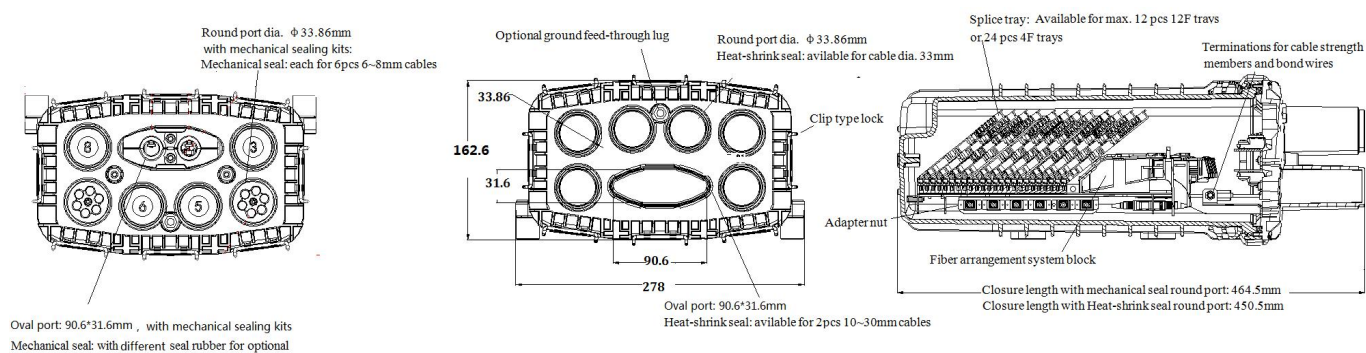

Product Specifications

Construction	Description
Max. Capacity	96F (if with 4F tray, total 24pcs) 144F (if with 12F tray, total 12 pcs)
Material	Dome, Base:modified PP Clamp:Nylon +GF Tray: ABS Metal parts:Stainless steel
Length	450.5mm 17.736in
Width	278mm 10.945in
Height	162.6mm 6.402in
Weight	5600g

FCST012239 FIBER OPTIC SPLICE CLOSURE-DOME TYPE

Inlets/Outlets	1/6
Installation	Aerial, wall, pole, underground, pipeline etc
Diameter Of Fiber Cable	1 oval port for 2 pcs 10~30 mm cable 6 round ports each for 1 pc 6~ 33mm cable
Sealing Mode	Heat-shrink

Product Structure

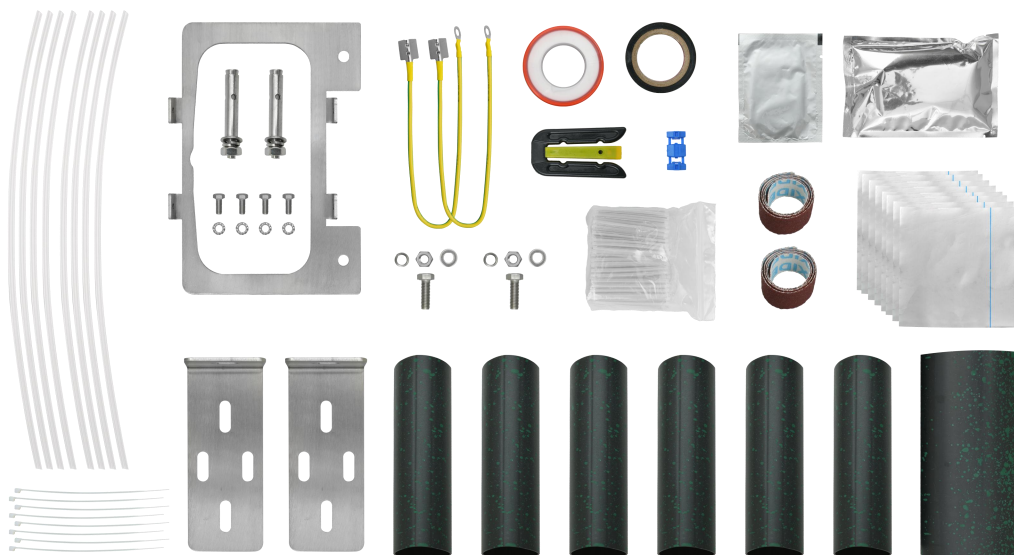

Packing Information

Construction	Description
Outside Dimension (L*W*H) mm	-
Weight/PC (kgs)	5.8
Carton Size (L*W*H) mm	710*330*550
Qty/CTN (pcs)	4
Weight/CTN (kgs)	23.2

Standard Accessories

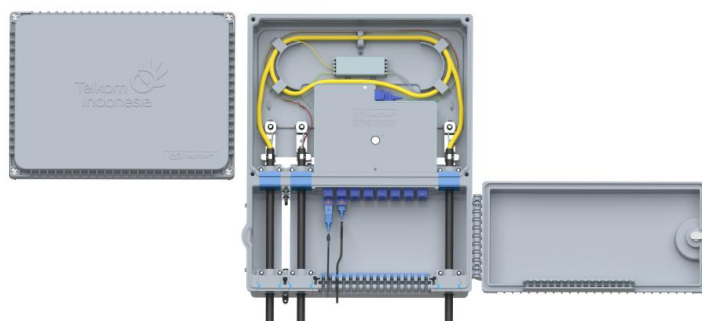

Design And Customization Services

- Provide service with whole process from blueprint to product to the customer.
- Meet customer's requirement to customize logo in suitable place for existing product.
- Meet customer's requirement to make reasonable modify and customization for existing product.
- Provide free design according to the requirement of customer after signed cooperative agreement.

FCST - Better FTTx, Better Life.

We offer 4 solutions

- FTTH ODN Solution
- Underground Cable Installation Solution
- Aerial Cable Installation Solution
- Fiber Tools & Test Solution

As a FTTx solution supplier, we can also do ODM according to project. We will continue to innovate and contribute more to the construction of the global optical fiber network.

Rm402 block A Watts gallop tower No.2816 YiXian Rd, BaoShan District, Shanghai 200441.
