

REACH Position Statement

EU REACH Position Statement

The Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) regulation (EC) No 1907/2006 is a European Union chemicals regulation that entered into force on 1 June 2007.

Substances in Articles

The European Chemical Agency (ECHA) maintains a list of candidate substances of very high concern (SVHCs) for authorization. The latest version of the ECHA Candidate List of SVHCs can be found [here](#).

Article 33 of REACH requires information to be communicated down the supply chain on any Candidate List SVHC contained within articles at a level exceeding 0.1%w/w.

FCST products are very complex objects assembled from components which are both articles and complex objects made from articles. FCST product components contain the following Candidate List SVHCs:
